ISHAAN SHETH

Engineering Student | Aspiring Software Developer

@ ishaanksheth2@gmail.com   📞 +91-9867776533   in ishaan-sheth-98881a2a1

EDUCATION

B.E. in Computer Engineering
Dwarkadas J. Sanghvi College of Engineering, Mumbai

📅 Current

Data Structures Algorithms Object-Oriented Programming Database Management Systems Operating Systems Computer Networks Data Visualization(Python)

TECHNICAL SKILLS

Java Python C JavaScript, HTML, CSS SQL Cryptography Ethical Hacking AI/ML Arduino Circuits x86 assembly

EXPERIENCE

Risk Analyst Intern
Deloitte

📅 2 Months

- Analyzed vulnerabilities in software applications.
- Created detailed reports for the client's software team.

Technical Co-com Member
Automated Computing Machinery(ACM) committee

📅 7 Months (Ongoing)

- Collectively created a pressure activated piano.
- Collectively created a reaction speed test with buttons and buzzers.

CERTIFICATIONS

Certified JavaScript Developer (Udemy)

Certified Python Developer (STEM International)

Certified Java Developer (DJ Sanghvi)

Certified C Programmer (Udemy)

Cryptography and Hashing (Udemy)

Ethical Hacking (Udemy)

Cybersecurity (Udemy)

Quantum Computing (Udemy)

AI-ML Developer (Udemy)

STRENGTHS

Problem Solving Quick Learner Team Player Attention to Detail Adaptability

PROJECTS

AI-Powered Dog breed detector model
Self-Initiated

📅 2024

- Developed a dog breed detector using Python and Deep learning techniques.
- Used multiple data preprocessing techniques to input the dog images into the models.

Web server using assembly code
Self-Initiated

📅 2025

- Built a web server using x86 architecture intel syntax.
- Designed to recieve and respond to multiple HTTP GET and POST requests.
